

# WIND FARM LOCAL BUSINESS OPPORTUNITY OPEN HOUSE

EDP Renewables is hosting an open house for local businesses to learn more about the business opportunities resulting from the construction of the proposed wind farm in northeastern Douglas County, north of Newman.

Local business owners are invited to meet with company representatives, learn more about the wind farm, services needed, and how to qualify to work on the project.

Anytime between 9am – 12pm  
Wednesday, August 29, 2018

Tuscola Community Building  
122 W. North Central Avenue  
Tuscola, Illinois 61953
